Accessioning and Disposal

The Records Center has received thirty copies of a new finished intelligence report produced by the Photographic Intelligence Center. Contact with 25X1A9A [] the Records Officer for this office, indicates that we will be receiving these reports routinely in the future. Arrangements will be made 25X1A9A with Mr. [] for a maximum and minimum stock level as well as a routine system for disposal.

The Records Center has been unable to destroy by burning any records and as a result there are now 1,042 cubic feet in the records disposal area.

Reference

Reference activity has been normal with the exception of furnishing the Navy a total of 509 copies of NIS and 158 copies to State.

As a direct result of Notice 25X1 [] all copies of [] and the transmittals thereto were forwarded to [] Personnel Office. This involved a total of 1,056 copies of this handbook and transmittals.
